

**USA Dance, INC, #6021**  
**Ballroom Dance Charleston (BDC) BALLROOM DANCE SERIES**

**BEGINNER Level 2 (Advanced Basics)**  
**Every Thursday 6:30-7:30 pm**  
**2024 Schedule**

**4-Week Course: \$10 per class or \$40 per month**

**8-Week Course: \$10 per class or \$70 for all 8 classes**

We have a novel and hopefully exciting program planned for Beginner Level 2. It will be an Advanced BASICS series designed for the individual that is knowledgeable in the timing and rhythm of the dance being taught and comfortable dancing the basic components.

January & February (8-weeks) will be a combined Latin series with Cha Cha & Rumba. The focus will be on advancing basic components into patterns that are similar in both dances. The main difference will be the addition of technique (cuban motion, body positioning for lead & follow etc.) which will be sprinkled in as you go along. That way, you will be learning new patterns in both dances using the dance components similar to both. It makes sense to keep them together so you can learn to assimilate and integrate the main 2 Latin dances not just with patterns, but technique & styling as well.

We plan to do the same in March & April with Waltz & Foxtrot. May & June will be separate months for Tango & Swing which have enough differentiation to make them stand alone.

The **Beginner 2** class will be on **Thursdays from 6:30-7:30**. This first 8-week course will be **\$10 per individual class or \$70 for all 8** if you pay in advance.

If you have taken the Beginner 1 classes or have prior dance experience, you may be ready for this level! Classes will include both instructional and supervised practice time.
