

Ballroom Dance Charleston (BDC) 2024 Schedule
INTRO TO SOCIAL BALLROOM DANCING
6 Dances – 12 Weeks Every Wednesday 6:30-7:15 pm
\$100 per person

This series is designed for the individual with little to no experience in social ballroom dancing. Our instructors will take you from the entry level and teach basic components and steps needed to get you up and dancing. The basics in each dance will be taught over 2-weeks. Classes will include both instructional and practice time to help develop your new skills on the dance floor.

Note: You can start at the beginning or middle of any month to begin the dance series. Classes will be continuously recurring during the year so you can join at any time beginning with a new dance. Following is the 2024 schedule from June through December.

Note: In January, 2025, the series will repeat starting with Cha Cha.

| July 24 | Foxtrot | Sept 25 | Tango | Dec 11 | Waltz |

Don't want to take all 6 dances? No problem! You can sign up for 1 or more dances (2-week minimum) for \$20 per 2-week Dance per person.

Benefits of Enrolling in the 12-week series:

- Each class separately is normally \$10. Taking the whole series is equivalent to paying for 10 classes and getting 2 free!
- Several of the dances have similar basic components. Taking all the dances will enable you to relate the components between the dances. This understanding will help to shorten your learning curve with each new dance!
- You will meet our BDC instructors who will rotate teaching with each dance. This enables you to experience different teaching styles and learning techniques which will only enhance your ability to learn as your dancing progresses.
- You will receive one "Free Admission" pass to a Saturday night social dance. (\$20 Value per person) You will also be able to attend the Saturday socials for the member price while you are taking the classes. (\$5 Value)
- Completion of the Intro series automatically qualifies you to enroll in our Beginner 1 series if you choose to continue your dance education.
